OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 23 December 1960

1. [] Lunched with Admiral Robert Ward, Chief of Navy L&L, and discussed with him our set-up and he reciprocated.

2. [] Personnel, telephoned saying that a Miss Kennedy, in the office of Senator Jennings Randolph, had called Personnel inquiring as to the status of the [] case. Subsequently, I telephoned Miss Kennedy advising that we were favorably considering [] appointment as a [] and were initiating processing which, of course, included security investigation. Notification was being sent to []. Miss Kennedy thanked me for the information.

3. [] Mr. Jim Cunningham telephoned indicating that no purpose would be served by Agency representatives meeting with [] representatives on their surveillance system proposal. He is to return the survey report. I advised Kenneth Belieu of this who readily grasped the problem and he stated he could handle the matter with [].

4. [] Jay Sourwine telephoned saying that he had just read Mr. Kirkpatrick's speech. He hoped some arrangement could be made whereby it could be made into a Committee Print on an expanded basis. He offered to cooperate in any way in preparing it for publication. I indicated I was sure this could be arranged and I would check into the matter and advise.

5. [] Advised Col. E. M. Lightfoot, Air Force L&L, that Tuesday afternoon, 10 January, is being scheduled for an Agency briefing to be given by General Cabell for Brig. Gen. J. T. Kingsley, Jr., and other members of Air Force L&L. Col. Lightfoot will confirm and provide the names of the officers who will be attending the first of the week.
